MOHD ZAID

MERN Stack Web Developer

Saharanpur, Uttar Pradesh, India | hlozaid18@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Full-Stack Web Developer specializing in the MERN stack (MongoDB, Express.js, React.js, Node.js), with hands-on experience building responsive, API-driven web applications and a structured industry apprenticeship in software development practices. Skilled in RESTful API integration, version control, and deploying production-ready projects; seeking to apply strong front-end and back-end fundamentals to a full-stack developer role.

TECHNICAL SKILLS

Programming Languages: JavaScript, Python, Core Java

Web Technologies: React.js, Node.js, Express.js, HTML5, CSS3, Bootstrap

Databases: MongoDB, MySQL

Tools & Platforms: Git, GitHub, Postman, Vite, VS Code, IntelliJ IDEA, Render, MS Word, MS Excel

EXPERIENCE

Software Development Apprentice *March 2024 – May 2024*

NASSCOM Foundation

- Completed a structured, industry-aligned apprenticeship program covering practical software development skills and professional workplace workflows.
- Applied core software development concepts through guided projects, building a foundation in collaborative, industry-standard development practices.

PROJECTS

Wanderlust – Airbnb-Style Full-Stack Listings Web App

- Built an Airbnb-style platform with Node.js, Express.js, MongoDB (Atlas), Mongoose and EJS (MVC): listing and review CRUD, Passport.js authentication, and owner/author-only edit and delete permissions.
- Integrated Cloudinary image uploads and Mapbox geocoded maps; added keyword search, category filters and Joi validation.

Weather Web Application

- Built a responsive weather-tracking web application in React.js, delivering real-time weather data through integration with external third-party APIs.
- Designed a clean, mobile-friendly interface for fast, at-a-glance access to current conditions and forecasts.

Personal Portfolio Website

- Designed and developed a modern, responsive personal portfolio in React.js to showcase technical projects, skills, and experience to prospective employers.
- Optimized the UI for cross-browser compatibility and consistent performance across mobile and desktop devices.
